## Directions for Obtaining IRS Transcripts for Financial Assistance Applicants

An IRS Return Transcript can be submitted with your completed fee assistance application if you do not have a copy of your 1040 document. The transcript includes most line items from your tax return (Form 1040, 1040A or 1040EZ) as it was originally filed, including any accompanying forms and schedules. There is no fee to request a transcript and no limit on the amount of times it can be requested.

If you did not file taxes in the most recent tax year, you must instead submit the **Verification of Non-Filing** to show that no transcript exists. Applications will not be reviewed by staff without either your most recent 1040 form or one of these two documents.

Both forms can be obtained in several ways:

- **Online**: The fastest way to access your transcript. You can create an online account for same-day retrieval, or you can request that the transcript be sent to you via mail. See instructions below.
- **By Phone**: Call the automated retrieval service at 1-800-908-9946 and follow the voice-activated prompts.
- **In Person**: Visit a local IRS office (find a list at http://www.irs.gov/uac/Contact-My-Local-Office-in-north-carolina).
- **By Mail**: Download a "Request for Transcript of Tax Return" (Form 4506-T) from www.irs.gov and send it by mail or fax as directed.
